

# Rauf Rasheed

Full-Stack Developer (Frontend Focus, Learning Backend)

■ raufrasheed37@gmail.com | ■ Nigeria

■ GitHub: [github.com/yourusername](https://github.com/yourusername) | ■ LinkedIn: [linkedin.com/in/yourusername](https://linkedin.com/in/yourusername)

## Profile

Ambitious and adaptable Full-Stack Developer with a strong foundation in frontend technologies (HTML, CSS, JavaScript, Tailwind CSS) and currently expanding into backend development.

Passionate about building clean, responsive, and user-friendly applications from design to deployment.

Always eager to learn and grow while contributing to impactful projects.

## Skills

- Frontend: HTML5, CSS3, JavaScript (ES6+), Tailwind CSS
- Backend (Learning): Node.js, Express, APIs
- Databases (Learning): MongoDB / SQL basics
- Version Control: Git, GitHub
- Design Tools: Figma, Canva
- Other: Responsive Web Design, Cross-Browser Compatibility, Debugging

## Projects

**DE-Mart** – E-commerce platform for Nigerian businesses

- Built a responsive shopping interface with product filtering and cart system.
- Improved UI for smooth navigation and checkout experience.

**Afrobeats Music Platform** – Streaming service for Afrobeats artists and playlists

- Designed a modern, mobile-first UI.
- Implemented music library and playlist features.

**Personal Portfolio Website** – Showcasing projects and skills

- Developed a modern responsive portfolio with dark/light theme.
- Added animations and contact form for better engagement.

## Education

- Self-taught developer through hands-on projects and online learning.

- Currently deepening backend skills (Node.js, databases, API development).

## Other Info

- ■ Open to remote and freelance projects.
- ■ Interested in building end-to-end web applications.
